IMPRESSIONS**

Catalog Design - 605.347.0402

Herd Health: We pasture weaned the bulls September 19th. The bulls were transitioned over to a mixed ration of silage, ground hay, earlage and protein supplement where we targeted a 3.25 lb/day gain. The bulls were slowly stepped up to a 46 mg cal. ration which consisted of 12 lbs. earlage, 1 1/2 lb. protein supplement and 20 lbs. ground hay and silage. We like to keep the bulls on a high roughage diet and grow them out to ensure sound feet, legs and longevity of the bulls.

Branding: Vista Once • Vision 7 with Somubac
Injectable Dectomax

Weaning: Vista Once • Vision 7 with Somubac
Express 5 • Poured with Ivomec
SafeGuard Dewormer

Spring Turn-Out: Preg Guard Gold 10
2 Footrot Shots • Poured with Ivomec

Bulls will be SEMEN TESTED and SCROTAL MEASURED.
FREE DELIVERY on bulls to adjoining states.
FREE KEEP until April.

Terms: The terms of the sale are cash or check payable at the sale facility unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. Bids: Every animal is to be sold and will be sold. No by-bidding is permitted. The highest bidder is the buyer. Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final. Announcements: Errors discovered in the catalog will be corrected by announcements from the auction stand at sale time and will take precedence over the printed material in the catalog. Accidents & Liabilities: All persons attend the sale at their own risk and the seller and sales management assume no liability, legal or otherwise, for any accidents occurring in, on, or about the premises. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Bid Online!
If you are unable to attend the sale,
you can register to watch or bid
online through The Livestock Link
by following these instructions:

The Livestock Link
Videoing • Video Sales • Clerking
• Bid-by-Click Online Sales

- Visit our website, www.thelivestocklink.com
- Click the "Online Auctions" tab
- Click on "Click Here to Register"
- Enter your e-mail address and password, and fill out all your contact information
- Fill out your Banking Information. If you are only viewing the sale and do not wish to bid, this information can be left blank.
- Check the checkbox at the bottom of the page that says "I'm not a robot" to prove you are a real person
- Click "Register" at the bottom of the page
- You will receive an email with a link to activate your account.
- **Please register to bid at least 24 hours in advance of the sale.**
- Contact Aaron Friedt at (701) 590-9597 for help or with any questions.

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.

To use our service, you must have access to High Speed Internet.

Welcome to the 18th annual Millar Angus Bull Sale

Whether you're one of our many repeat customers, neighbors and friends or if you're considering Millar Angus genetics for the first time, we invite you to be our guest on February 20th.

When it comes to the family, well...it's never a dull moment around the Millar household! As the kids get older, their interests are expanding. Ryle (12) has taken a liking to team roping and is anxious for his first year of Junior High Rodeo to kick off this spring. Kobi (9) loves gymnastics, arts, crafts, baking...you name it, she wants to try it! They both love their youth rodeos, livestock shows and basketball. We both find a little time to do some team roping now and then with Ryle, throw in a little auctioneering for Jon and that sums up what keeps us busy in our "free time." While we often find ourselves on the go, we wouldn't trade these precious days for anything.

Looking toward the ranch side of things...2018 proved to be a good year. It was great getting some much needed moisture to replenish our hay yard and the cattle markets held steady. When it comes to the cattle industry there's never a bad time to step up the quality of genetics in a herd because quality typically sells. We are proud to have seen many of our customers experience increased weaning weights off the cow and substantial gains in the feedlot. The goal for our operation has always been to produce cattle that will help your herd be as economical and profitable as possible.

All of our bulls have been raised with the rancher in mind: natural growth bred in, not fed on. If you're needing a bull to cover a little more country one of our two-year-olds should fit the bill. They are younger bulls from our 2017 calf crop and have never before been offered for sale. All the bulls have been bred to add performance, length, thickness, carcass qualities and maternal strengths to your herd.

As always, we will keep the bulls until April and deliver them, free of charge. The bulls will be semen tested in March with scrotal measurements available sale day. All bulls sell FULLY GUARANTEED for the first breeding season with your satisfaction being our #1 priority. We invite you to stop by to view the bulls and the cowherd that produced them. We always love to talk cattle!

Jon & Brezzy
